Influencing Policy & Legislation
- Work with hospitals to adopt a policy requiring newborns to be discharged in an appropriate car seat.
- Work with hospitals to adopt a policy requiring that prior to newborn discharge, mothers of newborns are provided child passenger safety education and must demonstrate how to use the car seat correctly.

Changing Organizational Practices
- Work with hospitals to disseminate provide child passenger safety information through Electronic Medical Records (EMR) for all well-child visits to children 0-8 years of age.
- Work with home visitation programs to include a child passenger safety component.
- Work with law enforcement agencies to increase enforcement of child passenger safety and booster seat laws.

Fostering Coalitions & Networks
- Convene and/or participate on local child passenger safety coalitions/work groups.

Educating Providers
- Conduct the National Child Passenger Safety Certification course for hospital staff, public safety personnel, and other community members.
- Conduct "Lunch 'n Learn" sessions on child passenger safety for staff at pediatric medical clinics.
- Provide child passenger safety training to home visitor programs, child care providers, teachers (booster seat), law enforcement, etc.

Promoting Community Education
- Sponsor car seat inspection events
- Promote child passenger safety through media outlets.

Strengthening Individual Knowledge & Skills
- Conduct regular fitting stations in the community.
- Provide child passenger safety education to families during well-child visits.
- Provide child passenger safety education to families enrolled in Head Start, home visitation programs, etc.
