From the CEO: Senate Interim Charges

The final TETAF Board of Directors Meeting for 2018 took place in November to set our course for the remainder of the year. On December 12, TETAF will host its Board meeting and General Assembly meeting, where we will conduct business and vote on nominations during its December 12 meeting at 1:00 p.m. at the Drury Plaza Hotel on the Riverwalk in San Antonio. Vote on nominations during its December 12 meeting at 1:00 p.m. at the Drury Plaza Hotel on the Riverwalk in San Antonio.

Senate Bill 500 Funding Discussions

TETAF is proud of the focus Texas has put on Trauma Care and Stop the Bleed. This was mentioned in the Rivard Report for its efforts in the Stop the Bleed program.

Texas Education Agency Approves Stop the Bleed Course

The Texas Education Agency approved a Stop the Bleed course from the American College of Surgeons as mandated by House Bill 496. The course is free and it teaches how Stop the Bleed instructors can find the Texas Education Agency approved slides on the bleedingcontrol.org website in the Stop the Bleed kit in the event someone is injured. The Texas Education Agency approved a Stop the Bleed course from the American College of Surgeons as mandated by House Bill 496. The course is free and it teaches how Stop the Bleed instructors can find the Texas Education Agency approved slides on the bleedingcontrol.org website in the Stop the Bleed kit in the event someone is injured.

Infectious Disease Response Units (IDRU) Operational Guidelines

Two surveys were sent to RAC leaders as part of this process. The first survey collected ideas from the RACs and the second survey gave RAC leaders the opportunity to rate those responses. Upcoming Events
